A parishioner comes at 6 a.m. to pray before Mass and the cantor starts to practice. It is difficult to pray. Can the cantor start later? (PC members talked to him about using the prayer room). **W**

A woman asked about ministries. Pc member gave her information and directed her to the website.

Why do we reserve seats at the 10:30 Mass on Sunday? Shouldn't the folks that are in those reserved seats assimilate with the parish community? Are we not all one in Christ? **F**

Deacon Chris gave a good request for registration and we got three.

Parishioner wanted to know how to pass on a suggestion for next year's Workcamp. PC member suggested she call Amber or Valentina. **F**

Request for more confession times – many confessions go unheard because of time or because people get discouraged by the line and leave. **W** *Note: This question has been answered multiple times in the bulletin Q & A as follows: With only two priests to serve this busy parish, it is not possible to schedule additional, consistent times for reconciliation. Anyone may contact the office to set up a time for personal reconciliation with either priest. We also offer Penance Services with multiple priests during Lent and Advent. We will consider adding times as schedules allow.*

One new registration.
