

# We Need Youth and Young Adult Lectors!

Do you feel called to proclaim the Word? We are looking to train new youth and young adult lectors to read at the 12:30 masses at St. Michael's. This is a great opportunity to serve your community, become more involved with the liturgy, and to show that the next generations still have a deep love and respect for the Scriptures!

To get trained and on the schedule, contact Amber McCulloch at [amber.mcculloch@comcast.net](mailto:amber.mcculloch@comcast.net) or text/call (720) 365-8832.

New Youth and Young Adult Lectors are asked to read at at least one or two 12:30 masses before they can be regularly scheduled at other masses.
